

I W G S C

International Wheat Genome
Sequencing Consortium

IWGSC Webinar Series: Introduction

16 June 2022

Kellye Eversole
IWGSC Executive Director

The International Wheat Genome Sequencing Consortium

IWGSC Sponsors

Enhance breeding through an increased understanding of the molecular basis of traits and their allelic diversity

Next Webinar: 7 July 2022

- ▶ **Extensive exploration of wild relatives diversity for wheat breeding: from the gene bank to the field**
- ▶ Presenter: Yasir Gorafi, Tottori University, Japan
- ▶ Registration: <https://attendee.gotowebinar.com/register/4267493121942814735>
- ▶ Time: **09:00 am EDT, 3:00 pm CEST**

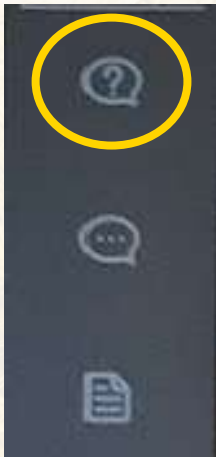

IWGSC Webinar dashboard

- ▶ The webinar is recorded and will be posted on the IWGSC YouTube channel in a few days. Subscribe to the channel to never miss a new upload
<https://www.youtube.com/c/internationalwheatgenomesequencingconsortium>

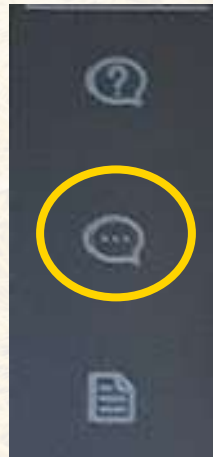

- ▶ The presentation section will be followed by a Q&A

Questions

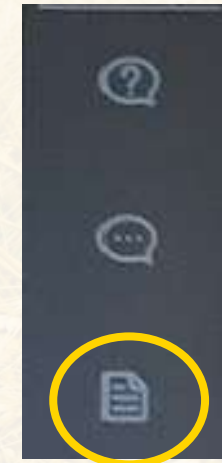

Submit your questions in the Q&A panel

Chat

Monitor the chat panel to see messages from the organizers

Handouts

Download handouts from the presentations in the handout panel

- ▶ **PANOMICS meets Germplasm – understanding and exploiting intraspecific crop plant variation**
- ▶ Presenter: Wolfram Weckwerth
University of Vienna, Austria
