

I W G S C

International Wheat Genome
Sequencing Consortium

IWGSC Webinar Series: Introduction

29 September 2022

Kellye Eversole
IWGSC Executive Director

The International Wheat Genome Sequencing Consortium

IWGSC Sponsors

Enhance breeding through an increased understanding of the molecular basis of traits and their allelic diversity

Next Webinar: 17 November 2022

- ▶ **Yield gene cloning in wheat**

- ▶ Presenter: Liuling Yan, Oklahoma State University, USA

- ▶ Registration: <https://attendee.gotowebinar.com/register/3145969272935101456>

- ▶ Time: 11:00 am EST, 5:00 pm CET

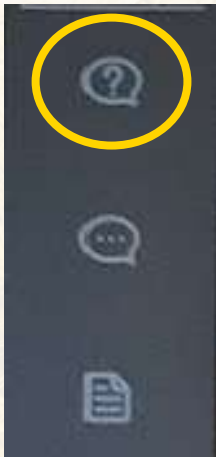

IWGSC Webinar dashboard

- ▶ The webinar is recorded and will be posted on the IWGSC YouTube channel in a hours. Subscribe to the channel to never miss a new upload
<https://www.youtube.com/c/internationalwheatgenomesequencingconsortium>

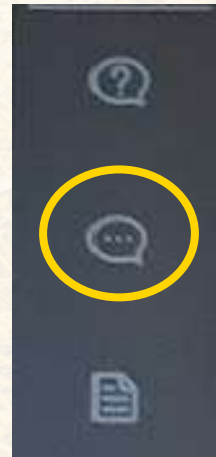

- ▶ The presentation section will be followed by a Q&A

Questions

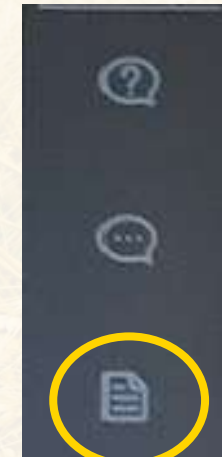

Submit your questions in the Q&A panel

Chat

Monitor the chat panel to see messages from the organizers

Handouts

Download handouts from the presentations in the handout panel

- ▶ **Sequencing the genome of the French wheat variety Renan**

- ▶ **Presenter:** Frédéric Choulet
GDEC, INRAE,
University Clermont Auvergne
France
